PIRIL CONSTRUCTION, TRADE AND SERVICES INC.

PIRIL was established by B.Sc. Civil Engineer Mr. Oğuz AYHAN as a contractor in 25 March 1983 in Adana, TURKEY. It first serviced Incirlik for a variety of services, including, but not limited to: all aspects of infrastructure construction, electrical installation and repair, building mechanics, steel and industrial structures, alarm systems, road and runway repairs and drainage systems, procurement, heavy equipment rentals and operation.

PIRIL is steadily growing and updating its technical adequacy and capacity on new and daring projects with its highly qualified and experienced technical staff composed of architects, civil, mechanical, electrical and environmental engineers, professional safety and QC staff. Additional qualified staff and skilled labor is consistently added to the team as projects dictate. New technology and equipment geared toward cutting construction times and budgets are being introduced regularly. This is accomplished without sacrificing safety and quality. Since its creation, PIRIL has successfully completed a multitude of construction projects throughout Turkey, Iraq, Afghanistan and Africa. These projects include Infrastructures and superstructures consisted of Investigation, civil, structural, architectural works, HVAC, Fire Suppression, high/med./low voltage electrical systems, interior electrical systems, communication lines, AT/FP projects, fueling systems, lightning systems, fencing, road and drainage construction, trade and industrial complexes, apartments, irrigation and numerous other special construction projects. These were all completed without injury, on time and within budgetary constraints.

In March 2013, PIRIL changed its organization from a Limited Liability Partnership to an Incorporated Company with no changes to its ownership, management or technical staff. PIRIL has an excellent credit rating and a high reliability among national financing organizations. PIRIL is prepared with a \$200 Million budget for any construction or service projects.

PIRIL İNŞAAT TİC. BİLG. ELEKTR. BÜRO. DON. A.Ş.

PIRIL; İnşaat Mühendisi Oğuz AYHAN bey tarafından 25 Mart 1983 yılında, Adana ilinde müteahhit firma olarak kurulmuştur. İlk faaliyetleri; İncirlik Hava Üssünde gerçekleştirdiği altyapı inşaatları, elektrik sistemleri montaj ve onarımı, bina mekanik sistemleri, çelik ve endüstriyel yapılar, alarm sistemleri, yol ve pist onarımları, drenaj sistemleri, tedarik, ağır hizmet ekipmanları kiralama ve işletmesi olmuştur.

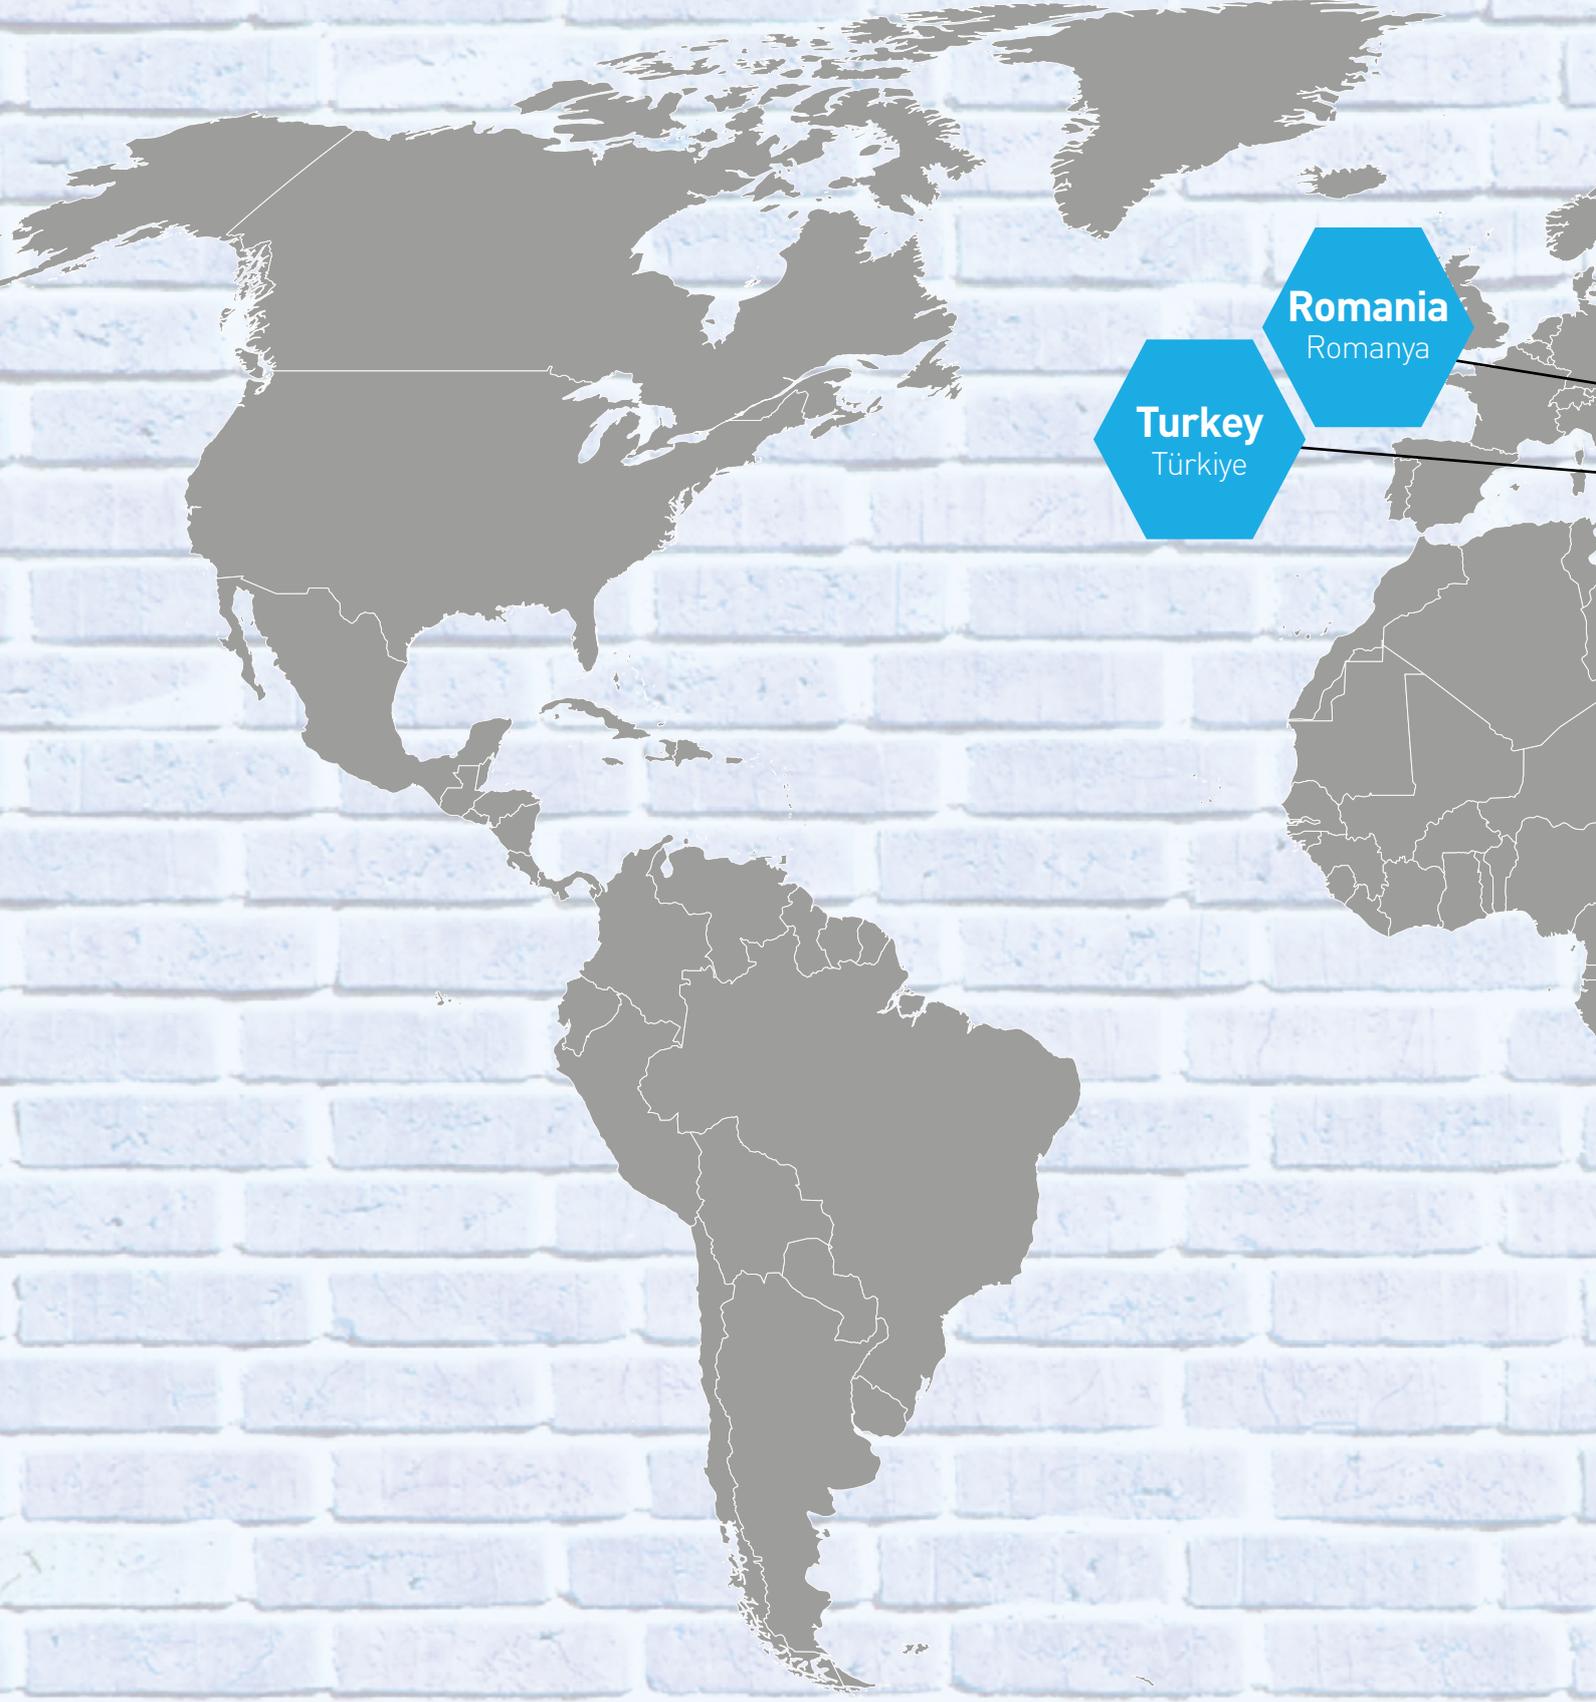

PIRIL sürekli büyümekte, yeni ve cesur projeler üzerindeki teknik yeterlilik ve kapasitesini kadrosunda bulunan mimarlar, inşaat, makina, elektrik ve çevre mühendisleri ile profesyonel güvenlik ve kalite kontrol personellerinden oluşan yüksek nitelikli ve deneyimli teknik kadrosu ile geliştirmektedir. Projeler kapsamında kalifiye personeller sürekli olarak mevcut ekibine eklenmektedir. Yapım sürelerini kısaltmak ve maliyetleri düşürmek için düzenli olarak yeni teknoloji ve ekipmanlar kullanılmaktadır. Faaliyetler güvenlik ve kaliteden ödün vermeden gerçekleştirilmektedir. Kuruluşundan bu yana, PIRIL Türkiye, Irak, Afganistan, Romanya ve Afrika çapında pek çok sayıda inşaat projelerini tamamladı. Bu projeler; Altyapı ve üstyapı projelerinden oluşmaktadır. Başlıca yapım konularını tetkik, strüktürel, mimari işler ile havalandırma, yangın algılama ve söndürme sistemleri, yüksek/orta/düşük gerilim sistemleri, elektrik dağıtım ve haberleşme sistemleri, Güvenlik ve önleyici sistemler, fens, yol, drenaj sistemleri yapımı, ticari ve endüstriyel tesisler, konutlar, sulama sistemleri ve çeşitli özel nitelikli yapılar oluşturmaktadır. Tüm bu projeler herhangi bir yaralanma olmadan, zamanında vade öngörülen bütçesinde tamamlanmıştır.

Mart 2013'te, mülkiyet, yönetim ve teknik kadrosunda herhangi bir değişiklik olmadan PIRIL ünvanı Limited Şirketten Anonim Şirkete değişmiştir. PIRIL, yüksek kredi derecelendirmesine ve ulusal finans kuruluşları arasında yüksek bir güvenilirliğe sahiptir. PIRIL, \$200 Milyon a kadar bütçeli projelerin yapım ve hizmeti için hazır durumdadır.

SAFETY & ENVIRONMENT

Güvenlik & Çevre

PIRIL goals are simply stated - no accidents, no harm to people and no damage to the environment.

It is the policy of the PIRIL to provide safe and healthful working conditions in all of its facilities and operations and to fully comply with the laws, rules and regulations pertaining to the safety and health of its employees.

The company is proud that safety and health management is its highest priority in all activities.

It is a management priority to reduce the number and severity of employee injuries, as well as the costs of accidents during construction, in order to protect the human and financial resources of our Company. Timely safety training, inspections and firm safety rules support this goal.

All employees are expected to be accountable for their own actions and shall execute their work in a safe and healthy manner, protect the environment and property. This expectation is communicated to all people involved in the projects including, but not limited to, PIRIL's own workforce, partner company's employees, subcontractors and suppliers.

PIRIL'in hedeflerini basitçe ifade etmek gerekirse: Sıfır kaza, sıfır yaralanma, insanlara ve çevreye sıfır zarar.

PIRIL'in politikası, tesislerinde ve tüm faaliyetlerinde güvenli ve sağlıklı çalışma koşullarını sağlamak ve tamamen yasalar, tüzük ve yönetmelikler kapsamında çalışanlarının güvenliğini, sağlığını ve çevreyi korumaktır.

Firmamızın tüm faaliyetlerinde sağlık ve güvenlik yönetiminin en yüksek önceliğe sahip olmasından gururluyuz.

Olası yaralanmaların engellenmesi, sayısının ve şiddetinin azaltılması yönetsel önceliğimizdir. Olası kazalara bağlı can ve mal kayıplarını önlemek ve azaltmak amacıyla hedeflerimiz zamanında alınan güvenlik eğitimleri, denetimler ve firma güvenlik kuralları ile desteklenmektedir.

Tüm çalışanlarımız, sorumluluklarındaki işleri güvenli ve sağlıklı bir ortamda yürütmek, çevreyi ve mülkiyeti korumak zorundadır. Bu kural sadece PIRIL çalışanları ile sınırlı kalmamak üzere projelerimizde ortak çalıştığımız tüm taşeronlar ve tedarikçiler içinde geçerlidir.
